Fun Filled Days in Nature's Wonderland

THE ITINERARY

CHICAGO

SUNDAY: The cry "ALL aboard!" rings out and we move out of the Union Station in Chicago. As the train gathers momentum and the city slips into the past, we relax for the night in our comfortable air-conditioned Pullmans, rejoicing in the thought of the many care-free days awaiting us.

MINNESOTA AND THE DAKOTAS

MONDAY: As we partake of a bountiful breakfast in the dining car, we glide across the state of Minnesota and see the fertile fields and some of the beautiful lakes for which the state is noted. Crossing the state line, we angle through South Dakota, reaching the Missouri River and the town of Mobridge by late afternoon. We cross the Missouri River where Ashley Island, on which Lewis and Clark once camped, is seen to the north. Nightfall finds us passing through the heart of the Standing Rock Indian Reservation, the present home of the once warlike Sioux.

OLD FAITHFUL

TUESDAY: Early today, at Harlowton, Montana, a giant electric locomotive takes charge of our train, and presently we cross the rugged Big Belt mountains and enjoy a charming ride through the Grand Monoliths of Montana Canyon to Three Forks where we leave the main line and travel southward to Gallatin Gateway, the MILWAUKEE ROAD'S scenic entrance to the Park where we have luncheon at beautiful Gallatin Gateway Inn and then begin our two and one-half day trip through Yellowstone, largest and perhaps the best known of our national parks. It occupies the northwest corner of Wyoming and extends into the two adjoining states of Montana and Idaho, covering a total area of approximately 3,500 square miles. After a thrilling 85-mile motor trip through Gallatin Canyon and glorious mountain country we reach Old Faithful Inn, our lodging for the night, where we appease our hearty appetites which have been so keenly stimulated by the afternoon's drive through the fresh, pine-scented air.

GRAND CANYON OF THE YELLOWSTONE

WEDNESDAY: Following breakfast we continue on to the Grand Canyon of the Yellowstone River, a colorful 1200-foot-deep gash in the earth. The multitude of hues and the awe-inspiring depths of this great chasm will long remain in your memories. We dine and spend the night at the luxurious Canyon Hotel, where we may dance and be entertained, write letters to our friends at home, or just relax.

MAMMOTH HOT SPRINGS

THURSDAY: We continue our tour of the Park and visit Mammoth Hot Springs, where mineral-charged waters gushing from the side of a hill have built up vast terraces of rock, sculptured by the water into every

conceivable form, which are rainbow-tinted with microscopic plant life. Luncheon will be served at the Mammoth Springs Hotel and those desiring to do so will have ample time for a swim in the outdoor pool with its water pleasantly warmed by the innumerable hot springs.

We leave in the early afternoon for West Yellowstone passing en route Norris Geyser Basin, Gibbon Falls, and numerous other interesting sights. As we leave Yellowstone via the Union Pacific Railroad for Salt Lake City, we recall all of the beautiful sights that we have seen and realize that the geysers and hot-water formations are by no means the only wonders of Yellowstone.

SALT LAKE CITY

FRIDAY: Unique Utah and Salt Lake City! Here in this far-famed city with its historic pioneer past we spend a glorious, experience-filled day from early morning until night. After breakfast at the Hotel Utah, which will be our headquarters for the day, we set off to see this city built in the heart of the mountains and famed for its beauty and individuality. In our drive about Salt Lake City we see Utah's beautiful capitol and artistically landscaped grounds, the metropolitan section, and other points of interest, including the Wasatch Drive and a portion of the Old Mormon Trail. We return in time to hear the noon organ recital in the vast-domed Mormon Tabernacle. In the afternoon we visit Saltair Beach on Great Salt Lake, where we tarry long enough to bathe in the buoyant salt water if we desire. We return to Salt Lake City through the great salt fields a far cry from the beautiful orchard section of Salt Lake Valley through which we passed just a short time before.

COLORADO AND THE ROYAL GORGE

SATURDAY: Today we relax as the Denver and Rio Grande train carries us through some of the most rugged and picturesque country to be found in the West. This part of our trip takes us through the world-renowned Royal Gorge, the Grand Canyon of the Arkansas River. For some nine miles our train travels at the bottom of this 3,000-foot-deep chasm cleft through granite by age upon age of erosion. On either side tower walls of ragged, multicolored rocks by our side races the Arkansas River which has wrought this marvelous masterpiece of natural sculpture. We thoroughly enjoy our trip to Colorado Springs, for our journey is through the famed vacation land of Colorado. Colorado is a natural playground in which the mountains jut into the plains like peninsulas, and broad fertile valleys and heavy forests dot the country. Here in one state the awe-inspiring, the picturesque, and the beautiful are all mixed together to form a land of infinite color and individuality. At Colorado Springs we dine and sleep at the Antlers Hotel.

COLORADO SPRINGS

SUNDAY: Colorado Springs and its matchless environs are our vacation playground for the day. Early morning finds us embarked on a motor sight-seeing tour that reveals first the lovely residential section of this "Sunshine City" and then the scenic wonders for which the region is justly famed. Over the High Mesa we go to the Garden of the Gods, whose brilliant coloring and awesome formations beggar description. Then on to Manitou, gorgeous Seven Falls, and, via Colorado Boulevard, to the top of Cheyenne Mountain, stopping en route at the Will Rogers Shrine Memorial. After feasting our eyes on the inspiring panorama visible from Cheyenne Mountain, we descend by another route that takes us through Ute Pass to Cascade, and then up to Pyramid Mountain from where we get a close-up view of Pikes Peak and the entire mountain range. Luncheon at Antlers Hotel. In the early evening we board our train for Denver where we spend the night at the Cosmopolitan Hotel.

DENVER MOUNTAIN PARKS

MONDAY: The morning will be devoted to a highly interesting four-hour motor tour of the Denver Mountain Parks—a system of parks managed by the City government. Included are the celebrated Buffalo Bill Memorial Museum and the Tomb of Buffalo Bill on Lookout Mountain, some extraordinary views into Clear Creek Canyon, Bear Creek Canyon, and a thorough inspection of the gorgeous Red Rocks.

We leave via the Rock Island Lines and as our train hustles us eastward the glorious mountains slip under the horizon.

TUESDAY: As we pull into Chicago's busy LaSalle Street Station and bid farewell to our companions on this joyous journey, we are indeed happy that we took this vacation in the wonderlands of the West.
